Connie J. Adkins CHESAPEAKE - Connie J. Adkins arrived from heaven March 1, 1955, and returned to heaven Feb. 20, 2008.

Connie was born and raised in a small town named Hinton, located in the beautiful mountains of West Virginia. She later relocated to Norfolk and raised two children, Brian and Teleah, of whom she was so very proud. These children gave their mother the most wonderful gift she could want, grandchildren. Brandon and Logan gave their mommaw love, happiness, strength, and the will to continue.

Connie was caring, loyal, hardworking, loving, courageous, and cherished her family and friends dearly. As she walked the path of uncertainty the words "Why Me" never came, only "Why Not Me." Her hopes were that her suffering would save someone else from doing so.

She will be truly missed, but her memory will live on in our hearts, as her soul lives on in heaven.

There will be no memorial in her honor locally, but if you would like to give a donation in her name to any cancer foundation of your choice, it will be greatly appreciated. With your help maybe one day there will be a cure for this that touches so many.
