She was also blessed to have special relationships with 18 great nieces and nephews.

She delighted in sharing loving bonds with family, relatives and friends. She was kind, considerate, and you could count on her remembering your special occasions with a card or note. She always had a bag of candy and a million questions to be answered – and her reply” Yes, I do have a need to know”. She will be missed by all who knew and loved her.

In keeping with her wishes her body has been cremated and a memorial service will be scheduled at a later date. Nicely Funeral Home in Clifton Forge is handling the arrangements.
