MRS. C. E. FIFE

MRS. LIBYS JOHNSON

Dedication

The retirement of Mrs. C. E. Fife and Mrs. Libys Johnson has left a gap in the faculty of Hinton High School that only time and experience on the part of others can bridge.

They will ever be remembered for their dedication to the teaching profession, willingness to counsel and sympathetic understanding of the problems of those who came under their supervision.

We will be eternally grateful for the privilege of having been a student in their classes. The influence of their teaching and ability to guide us in the right direction will serve to make us better citizens.

In appreciation for their time and efforts so generously given. We, the seniors, are proud to dedicate "The Dart" of 1967 to these two most beloved teachers.

Memories to Last a Lifetime in 190 Days of School

As the school year opened in August of 1966, little did we anticipate the situations we have now encountered or the wonderful events that have become part of our memories. The swiftness with which this year is passing serves as a gauge indicating its wonder. Truly, the number of things that have happened to each of us within these few short months is amazing.

This was a year of memories. As we look back over the events, both great and small, they seem long ago, yet, as clear as yesterday.

The continuous struggle for that elusive A, the mounting excitement of a close game, the beauty of devotional assemblies, the fun and excitement of pep assemblies, and enchantment in the wonderland of the special dances and prom--each a new adventure, soon passed but never quite forgotten. The queens we crowned, the heroes we honored, plans and ideas successfully carried but--all added to our feeling of pride in accomplishment.

Each incident was but a stepping stone, each new acquaintance a pathway. These memories we shall carry always as a reminder of a happy past and an inspiration for a glorious future.

Yes, stones laid side by side form a walk, as dreams of today form happy memories of tomorrow--

ACTIVITIES

Memories of the Wonderland of Prom

The Junior class selected the theme "Shower of Stars" for the 1966 prom. Accented by a huge chandelier suspended from a starlit sky, the night was wonderful.

Never shall we forget the beauty and happiness of these cherished moments.

Senior Memories

Ever notice how much seniors use their hands after senior rings come in?

Getting measured for caps and gowns.

Practicing for that long walk down the aisle.

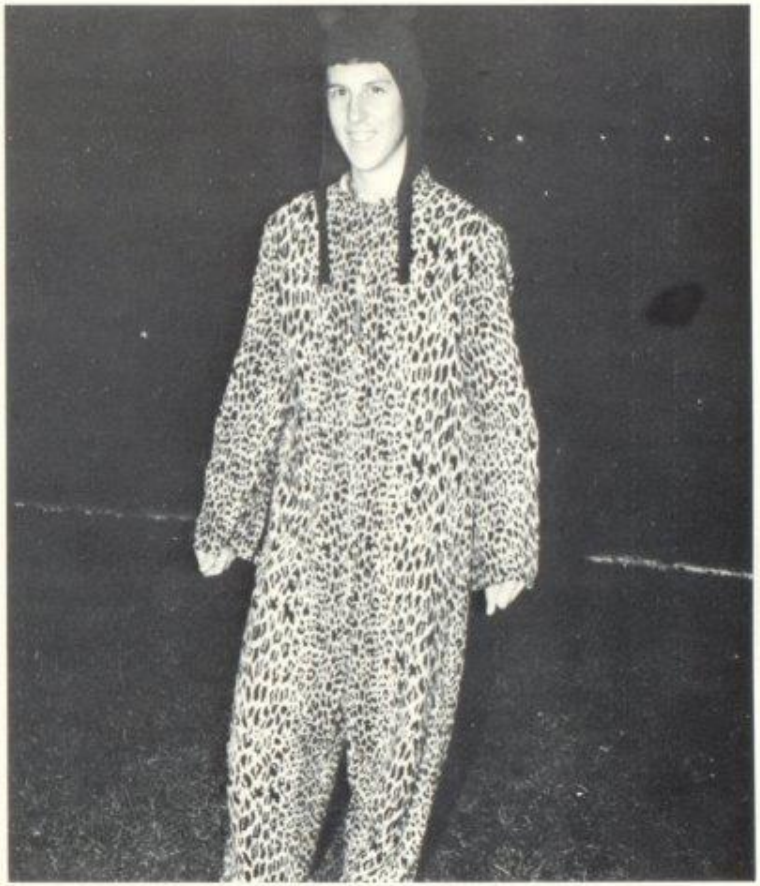
Mr. Bobcat



Mr. Bobcat is chosen annually by the Senior class. He serves as our mascot at our ballgames during the year.

This year Randy Davidson received this honor. He typifies the all-around Hinton student with qualities of leadership, scholarship, and the last, but most important as being Mr. Bobcat--school spirit.

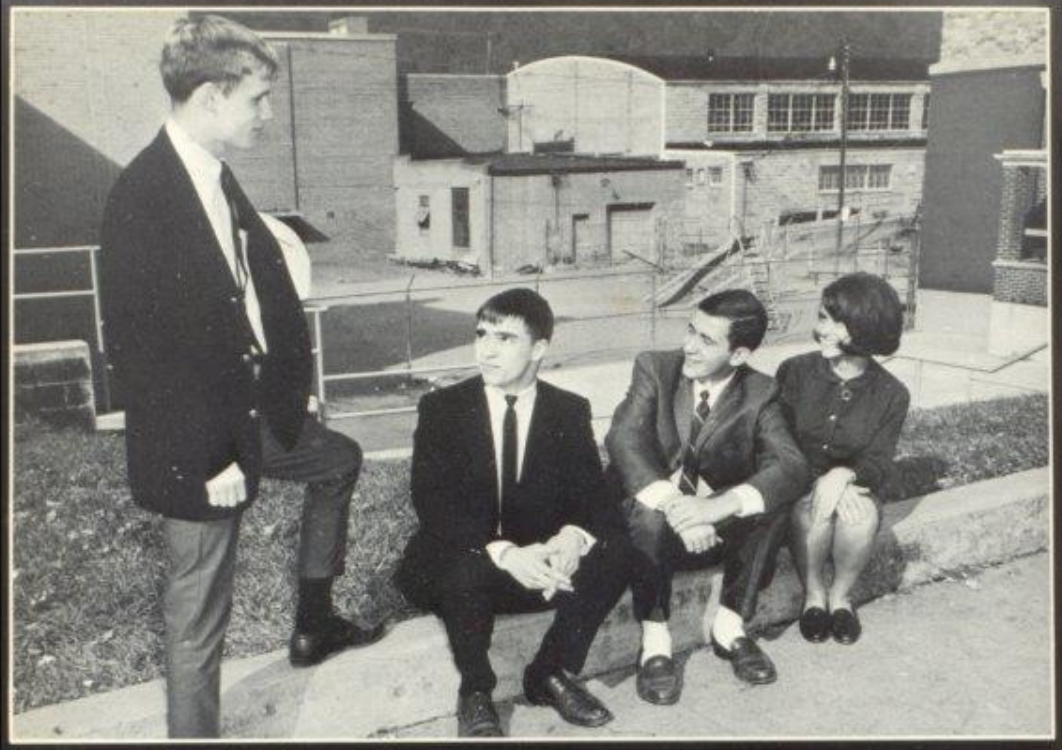
SENIORS



Senior Class Officers

LEFT TO RIGHT: President, Jack Holt; Bobby Farley, Vice-President; Tommy Harvey, Secretary; Peggy Lowe, Treasurer.

Behind all successful projects were five hardworking leaders of the graduates of this year, the 1967 class officers, Jackie Holt, Bobby Farley, Tommy Harvey, and Peggy Lowe--these are the officers who have made this year one to remember.

Days come and days go, but they all hold memories. Never will we forget all the confusing moments, the happy moments, and the difficult moments of just being Seniors. These memories never will fade!

Student Body President

This year the student body of H.H.S. elected Sue Ellen Davis to lead them. Sue has been active in nearly every phase of life at H.H.S. and has proven very competent as President. Among her recent activities Sue has been a member of the King's Daughters, and The Senior Honor Society, and is the President of Tri-Hi-Y. She is an active member of the Methodist Church where she is president of the M.Y.F. Last year, Sue was Junior Class president and was a member of the Junior Honor Society.

We at H.H.S. are honored to have a leader and a friend in Sue Davis.

ADMINISTRATION

He Encourages, Leads, and Inspires

WELDON BOONE
W. V. U. - A. B. , M. A.

Without an administration department, which is the background of an educational system, the ideals for which we strive would be completely lost in the shuffle. Under their watchful eye we seldom go astray without pre-warning. Upon request they freely give advice to all on varied subjects. They inspire and encourage us to do our best at all times with special awards given further incentive. To these people we are indebted for the success we have attained during these our high school years. In the future we will recall these days with fond memories and with special thought for the administration.

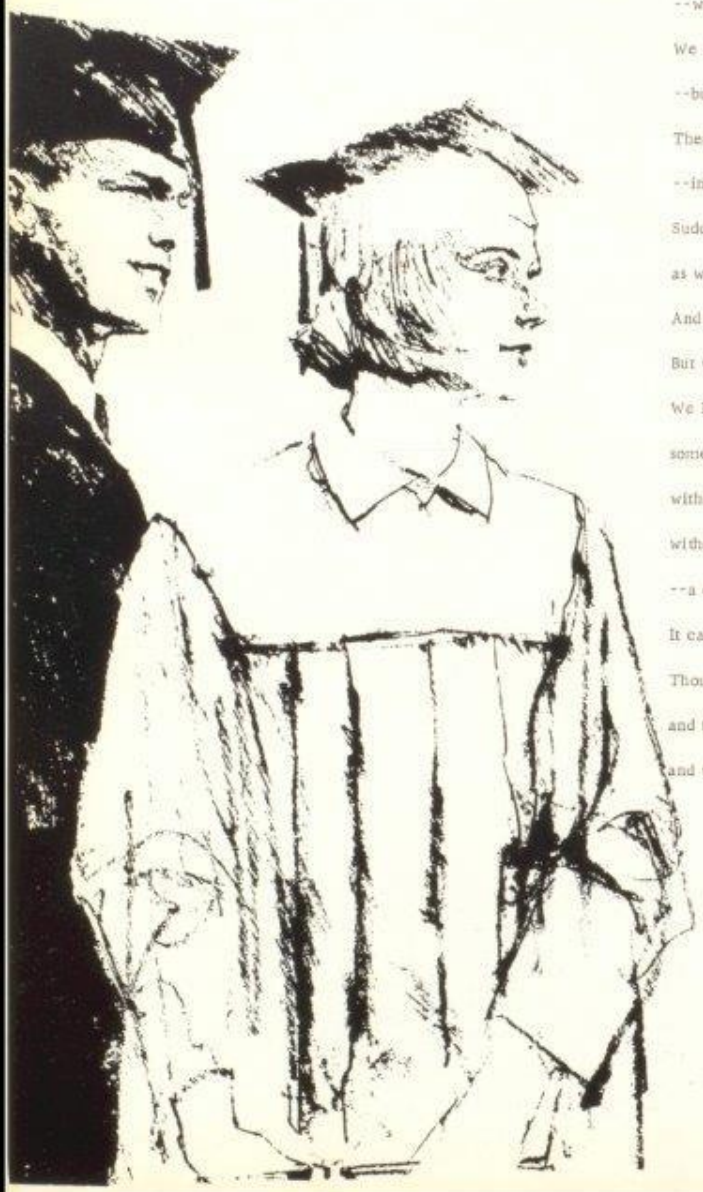
Farewell



Four years is a long time

--too long to forget.

We look around and ask

--where did it go?

We worked, we played

--but for four years?

Then we look the other way

--into tomorrow.

Suddenly we're not so tall

as we thought we were

And not so smart.

But we find that somehow

We learned a decisive lesson at Hinto High School

something we wouldn't have had

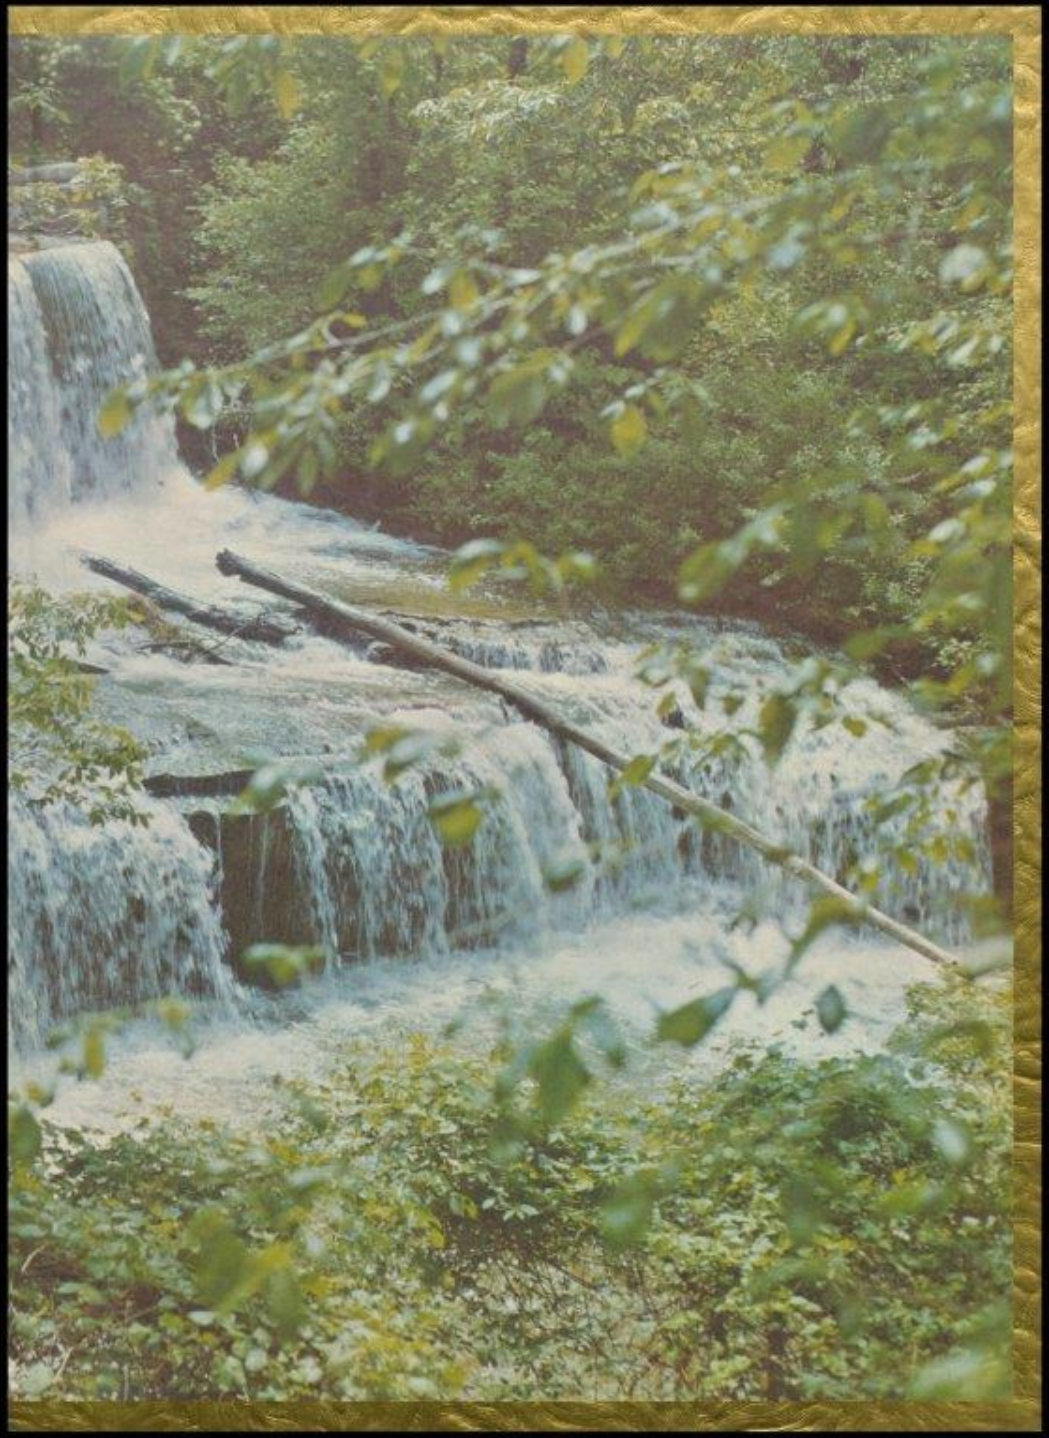
without dedicated teachers,

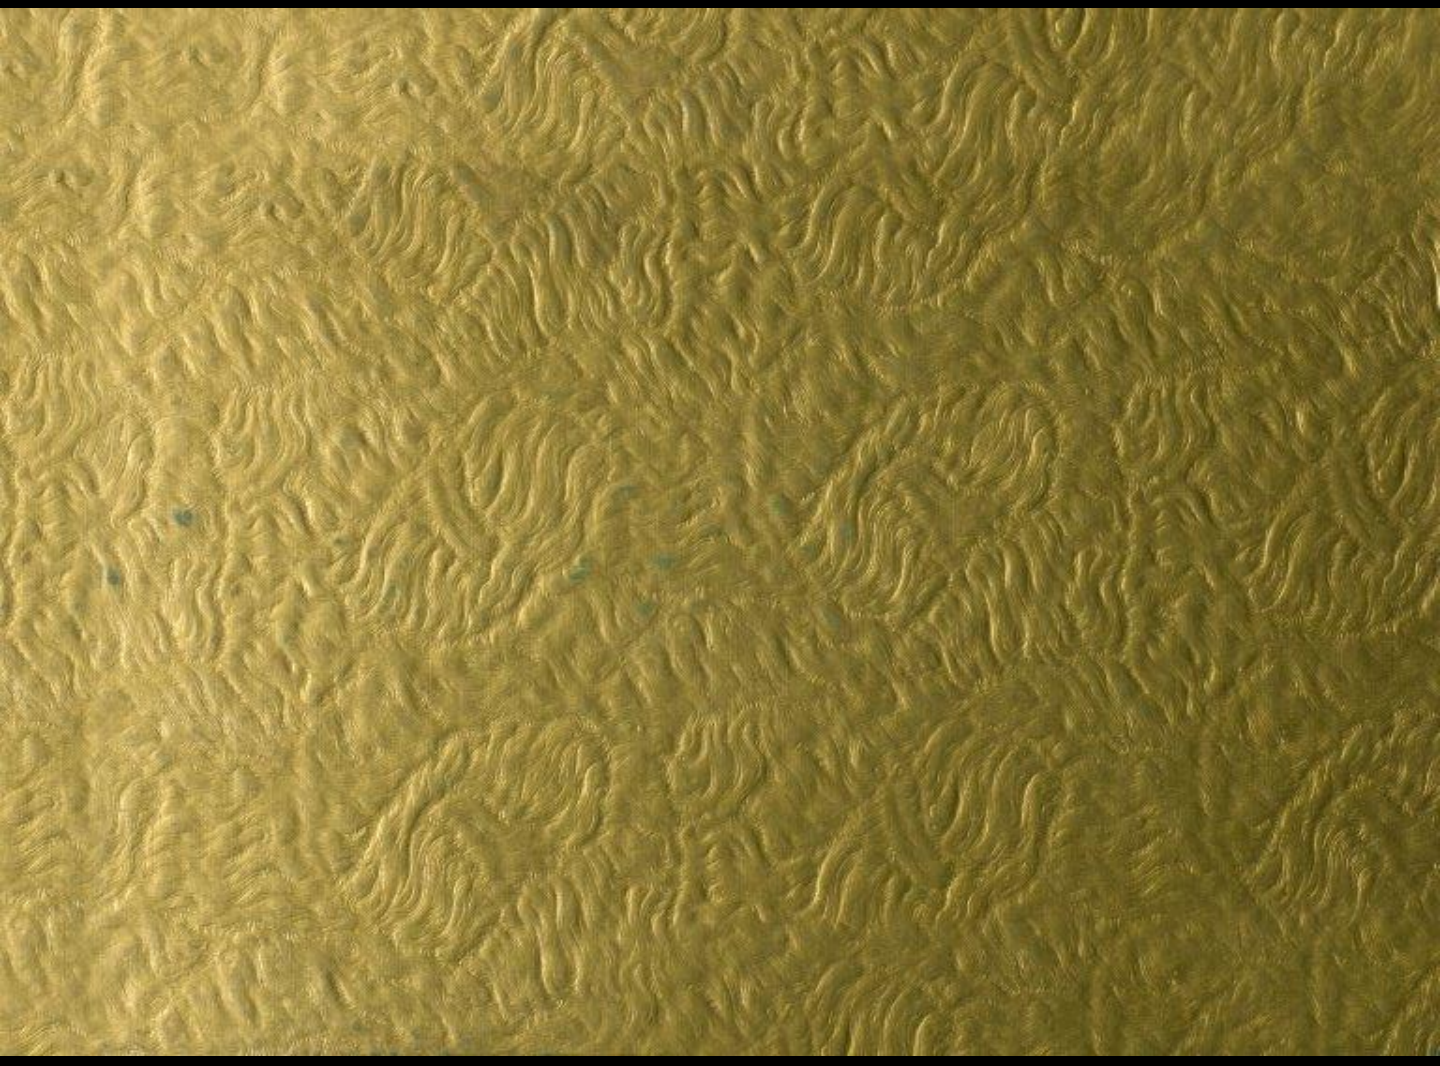
without their guidance

--a direction into that uncertain tomorrow.

It can never be so dark again

Though the world may change

and the times change




and we change.
