

Project # 8

Refurbishing The Health Right Temple Street in Hinton 2015

“To exit, hit the “X” on your browser’s tab for this page.”

Hinton Health Right, Inc.

Completed!

The Making A Difference group spent two days cleaning, polishing, and waxing the walls and floors of the Hinton Health Right, located on Temple Street across from the Railroad Museum. Many thanks to the volunteers who made this important business a better place to work.
